

Home photovoltaic panel installation scam case

Are solar panels a scam?

One of the first signs of a potential scam is unsolicited approaches or door-to-door sales. A reputable solar panel company does not typically use these tactics and instead is more likely to rely on referrals or marketing campaigns. As we mentioned before, another red flag is excessive discounts or too-good-to-be-true offers.

Are 'fake' solar companies a scam?

Beware of any company asking you to make a big deposit before they have completed their installation. This is one of the most common ways 'fake' solar companies have targeted consumers - whereby they take a hefty deposit and then never turn up to carry out the installation. This is common solar scam.

Are 'free solar panel health checks' a scam?

We're regularly contacted by customers, who have received an unsolicited call or letter from another company, offering them a 'free solar panel health check' or warning about their solar PV system being at risk of failing. This is a common scam.

Should I add solar panels to my home?

Adding solar panels to your home can be one of the best decisions you can make. Solar is currently helping millions of Americans save money on their energy bills, and incentives like the federal solar tax credit are making solar more affordable than ever.

Are solar panels free?

As far as actual free solar panels go, there are some small programs in places, like the Solar for All program in Washington D.C., geared toward low-income households that offer modestly-sized solar panel systems for free. Very few homeowners will be able to qualify for these low-income solar programs. How much will solar panels cost you? 2.

Is BT solar a scam?

This is a common scam. Last year there were letters claiming to be from the 'British Trading Solar Association (BTSA)', warning that your solar warranty was due to expire. The MCS issued a statement about this fraudulent activity and the company - which is actually BT Solar Ltd - received a warning from the ASA about misleading advertising.
