

Longi 700w photovoltaic panel

What is the Longi 370w solar panel?

The Longi 370w Solar Panel is a high efficient monocrystalline 72-cell module with excellent electrical and solid structural performance. It features silver 40 mm frames with a white backsheet, TL connectors, and industry-standard -0/5W sorting. This module has fewer components and a lower cost.

Who are LONGi Solar panels?

As the largest product of solar panels in the world, LONGi was ranked 724th in Forbes' global top 2000 in 2022. In Australia, LONGi Solar Panels first came on the scene in 2017 and have since captured a significant portion of the market share. They have established a local Australian office in Sydney to support local customers and installers.

What services does Longi offer?

LONGi offers professional consulting services, professional knowledge of PV power plant and charging station solutions, and full life cycle O&M capabilities. Uniform smart soldering increases the power and efficiency of the module, and improves the power load capacity.
