

# Snec2025 Photovoltaic Energy Storage Exhibition Hosted

When is SNEC PV power Expo 2025?

This makes it an ideal meeting point for international guests and professional visitors. The SNEC PV Power Expo will take place on 3 days from Wednesday, 11. June to Friday, 13. June 2025 in Shanghai. 13.

Where does the SNEC PV power Expo take place?

The SNEC PV Power Expo fair takes place in Shanghai, at the NECC National Exhibition and Convention Center. When is the SNEC PV Power Expo taking place? Visit the SNEC PV Power Expo from 11. - 13. June 2025. How often does the SNEC PV Power Expo take place?

What is SNEC Expo?

The expo is organized by the SNEC Org., which attracts professionals and companies from around the world. The focus of the fair includes topics such as photovoltaic production technology, materials, solar cells and modules, photovoltaic projects and systems, as well as energy storage solutions and smart energy applications.

Why should you attend SNEC PV power Expo?

The fair provides an ideal platform for fostering exchanges and initiating business relationships between Chinese and international participants. Highlights of the SNEC PV Power Expo include numerous lectures by renowned international experts, offering deep insights into current market trends, new technologies, and political conditions.

What does SNEC stand for?

The acronym "SNEC" stands for "Solar New Energy Convention". Annually, industry experts gather at the National Exhibition and Convention Center (NECC) in Shanghai to present and discuss innovations and current developments in solar energy. The expo is organized by the SNEC Org., which attracts professionals and companies from around the world.

Why should you attend SNEC?

It is out of doubt that with the largest numbers of exhibitors and visits, richness of exhibits that covers all sections of the PV industry chain, as well as the largest coverage in PV industry, SNEC has developed to be one of the most promising and influential exhibitions and conferences of solar PV industry worldwide.

The SNEC PV Power Expo + 17th (2024) International Photovoltaic Power Generation Exhibition opened at the National Exhibition and Convention Center in Shanghai. APsystems showcased its distributed full ...

Solar PV, Energy Storage, Hydrogen, Fuel Cells, New Energy, Exhibition, Conference | Co-organized by the Global Green Energy Industry Council (GGEIC), the Hydrogen Committee of the Chinese Renewable Energy Society (CRES), the Shanghai Federation of Economic Organizations (SFEO), the Shanghai Science and
