We might even beat their price and give you a little more depending on the item and the circumstances! Warranty; All items sold by Direct Solar Power are covered by the manufacturer's warranty.

With our new Solar System Builder tool, you can now create your own custom solar package, get a quote and even see an approximate cost per week! Click the link to start building your perfect ...

If you are looking to purchase Solar Panels, I would highly recommend A1 Solar store. I did not have much knowledge on Solar Panels and/or the benefits of them. A1 SolarStore customer service and knowledge of their panels was outstanding. My purchase of the Silfab 400W panels was made easy and quick with a pick up location right in my area.

"The altE Store provided me outstanding support and the best price. I reviewed multiple different options and because of their customer support, and very informative online videos they made choosing them easy. I bought a 7.68kw solar system from them and I installed it myself. All items showed up in perfect condition.
