

# Solar power generation system garden lights

What are solar garden lights?

Solar garden lights set the perfect mood in your garden or outdoor space, and are particularly useful at lining garden paths for late-night guidance, illuminating your favourite ornaments, or as part of your alfresco dining setup.

What are the different types of solar powered lighting products?

Our range of solar lighting products include smaller fairy lights and outdoor string lights, stake lights, lampposts and even novelty themed lights. So, if you're looking for a subtle twinkle, or need to illuminate a pathway, then we will have the perfect solar powered lighting solution for you.

Why should you choose decorative solar lights for your garden?

Explore our beautiful range of decorative solar lights to add some fun and character to your garden. Garden lighting is a must so you can enjoy spending time in your garden after dark during the warmer months, and it can go a long way towards creating the desired ambience in your outdoor space.

Does the range have solar lights?

Relax under the magic of The Range's solar lights. Shop now for affordable garden essentials. From fairy lights to solar lamps, outdoor lighting is a great way to make your garden a special place for entertaining. Use the sun's rays to illuminate your garden, patio, and pathways at night-time with a variety of solar-powered lights.

How do outdoor solar lights work?

Outdoor solar lights use solar power from the sun to charge up their batteries during the day. A sensor then automatically turns the light on when it gets dark, resulting in a completely maintenance-free ambient lighting option for your garden!

What are solar powered Net lights?

Enhance your garden's ambience with these Solar Powered Net Lights, providing enchanting illumination. Their flexible design allows for versatile placement, enabling them to be wrapped around bushes and trees, or elegantly draped down patio or garden fences. These lights offer hassle-free use, as they require no connection to mains wires.
